2023-2024 Journey Service Team Options:

Family Name: _____

As a co-op, we depend on the commitment and help from our families to make our classroom days run smoothly. Each family will be required to serve in one of the areas indicated below. The number of volunteer times are subject to change and are based on the number of families enrolled in the co-op. If more families enroll, the number of times you serve could be lessened, and conversely, if fewer families enroll, the number of times you serve could be increased.

We are providing another option called Opt-Out. By choosing this option you will not have to volunteer; the fee required for this option will be used by the Board to find and pay your replacements.

Please indicate which option you prefer, (Choose only ONE by placing an X in the box next to either 1 or 2):

- 1. VOLUNTEER OPTION-** \$80 deposit, reimbursed at the end of the year if service times are fulfilled. I plan to volunteer for the co-op and agree to be placed on one of the volunteer teams listed below. I realize that if I serve all of my volunteer slots, I will be reimbursed the entire amount of the required volunteer deposit at the end of the year. I also agree to find a replacement if I am not be able to serve my required volunteer slot(s) by either a trade, or by securing someone from the Buy-Out List to take my service slot. (If a Buy-Out person is selected, the Board Treasurer will pay my replacement from my volunteer deposit.)

Please rank your preferences in order from 1-4; 1 being the volunteer team you most prefer and 4 being your least preference, taking into consideration your need for childcare.

_____ **WEEKLY BUILDING SET UP:** to set up all classroom tables and chairs.

Requires approximately 1 hour each Sunday evening. Service on this volunteer team can be done as a family.
Service time is approximately 5 times per year.

Service time is approximately 2-3 times per year.

_____ **MORNING BUILDING MONITOR/ STUDY HALL SUPERVISOR:** 1 volunteer to monitor study hall/ lobby area.

Student Schedule for the 2023-2024 School Year

Please fill out a schedule for each of your children who will be attending classes at The Journey. Each hour that your child will be in the building should be accounted for. If your 3rd – 12th grade student(s) will have an hour that they are not registered for a class, they will be expected to be **supervised by a parent or in the study hall**. If your student will be in the study hall, please include “Study Hall” and the class period on your child’s schedule. If you choose not to enroll your 1st or 2nd grade elementary student during a class period, you are responsible to supervise your child during that time.
